New construction project in Playa San Juan.

“Residencial Paraíso de San Juan” is a new residential complex with 47 apartments.

Apartments with 2 and 3 bedrooms and with 2 and 3 bathrooms.

And each apartment has a private terrace.

It is a new promotion of first class: The interiors are designed to optimize habitability and energy efficiency, with great emphasis on the brightness and functionality of the spaces.

The promotion offers spacious homes with practical layouts and top-quality materials.

The complex will have 8 entrance gates and 6 homes per portal.

There will be a communal heated swimming pool and a solarium on the roof terrace.

Each apartment has 1 storage room included in the price.

The garage can be purchased separately.*

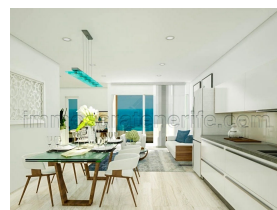

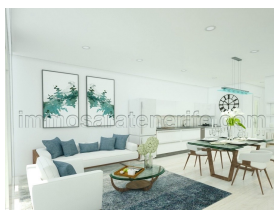

“Residencial Paraíso de San Juan” is located in the very popular area “Playa San Juan”, a village with several restaurants, bars, shops and located about 150 meters from the sea and its beach.

This privileged location guarantees a great investment!

Prices start from 262.200€ + IGIC with a storage room included in the price

and there's the option to purchase a private parking space from 19.500€ + IGIC.

This new construction will be completed by the end of 2025.
