Storage Room(s): *

Garage(s)/Parking: *

Property ID: MAXX120

Price: 865.000€

NEW PROMOTION on the FIRST LINE of PLAYA SAN JUAN "SOLUM".

This is a new development of prestigious 2, 3 and 4 bedroom apartments, with interior space from 115m² and with large terraces from 36m², all with SEA VIEWS!

It is a complex 3 of floors.

There are impressive penthouses with huge terraces, some with private pools.

And the ground floors have gardens and a private pool.

All apartments have sea view and view of the neighboring island "La Gomera"!

The complex is designed from the concept of indoor and outdoor living, spacious rooms with lots of light.

Modern design and finishes. High quality materials.

The complex has 160 exclusive residential apartments, spread over 4 blocks.

There are infinity pools, with a large solarium of +/- 1400 m².

There is a 24 hour service, a fully equipped gym, a spa with sauna and jacuzzi.

There are large parking spaces and storage rooms (from 40,000€)*.

This luxury residential complex offers additional services to the owners, such as fully furnished homes, and also holiday rental management; it is possible to do holiday rentals here!

This new construction project of luxury apartments is located in a quiet area, just 35 m from the sea, in the authentic village of "Playa San Juan" with its pedestrian promenade, shops, bars and local restaurants.

"Playa San Juan" is a unique small "Canarian" village in a quiet area in the south of Tenerife.

Delivery is scheduled for 2025.

The works will start soon and it will take about 2 years to complete the construction.

The prices of these apartments start from 865.000€.
